

# POLICY MANUAL FOR **PREVENTING** EXTREMISM & RADICALISATION

## Introduction

This policy has been drawn up with close reference to the HM Government document 'Prevent Strategy', the joint toolkit 'Learning Together to be Safe' developed by the DCSF, AoC and DIUS, Peter Clarke's Report into allegations concerning Birmingham schools arising from the 'Trojan Horse' letter and the regional Counter Terrorism Local Profiles (CTLP).

The Counter Terrorism and Security Act 2015 introduced the Prevent Duty for FE sector from 1st July 2015. Ofsted are including an assessment of its implications in their inspections. The Prevent Duty requires the FE sector to have "due regard to the need to prevent people from being drawn into terrorism". The national security threat was raised to severe in August 2014 and remains as severe in 2017: this means a terrorist attack is highly likely. Birmingham and Bristol are seen as priority areas in terms of Prevent with Birmingham being in the top 3 national areas. There are local characteristics which may mean that there is a greater possibility of radicalisation by particular groups. The Risk of Islamic fundamentalism is extreme in Birmingham while interestingly, in Bristol serious concern is associated with the far-right and animal rights activity. The threat of attack, especially by lone actors, is as likely in either the city as anywhere else.

This Preventing Extremism and Radicalisation Policy is one element within Reflections Training Academies overall arrangements to safeguard and promote the welfare of all learners inline with our statutory duties set out at S157 of the Education Act 2002.

## 1. Policy Statement

Reflections Training Academy is fully committed to ensuring all learners within its training provision are protected from harm and recognises its responsibilities for protecting learners and Team members from Extremism and Radicalisation inline with its Duty under the Prevent Agenda.

The Reflections policy for Preventing Extremism and Radicalisation applies to all the team working within Reflections Training Academies, partnerships, learners and any Guest Tutors / external speakers

### Academy Values and Ethos

When operating this Policy, the Reflections Training Academies use the following accepted Governmental definition of extremism which is:

*'Vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs; and/or calls for the death of members of our armed forces, whether in this country or overseas'.*

The Training Academies will actively promote the fundamental British Values of:

- **Democracy** - All Learners within the Academy have a "Voice" this promoting a democratic process. This learner voice is listened to and acted upon
- **the rule of law** - An appreciation that living and following under the rule of law protects individual citizens and is essential for your well being and safety
- **individual liberty** - The right of an individual to act freely within the confines of law, without being oppressed or controlled by a government or other power
- **mutual respect and tolerance of different faiths and beliefs**- Respect and tolerance for each other. Treating others, the way you want to be treated, showing kindness & consideration. Accepting others for who they are

These values will be promoted and installed into learners alongside the Academy values of:

- **Professionalism** - Is how we are with people. Is how we promote, and develop the Academy. Is how we approach and challenge tasks/duties.
- **Quality** - Is what this is in looks, detail, level of accuracy, standards of work and within presentation and delivering style etc.
- **Care** - For our people, learners, employers in how we make our decisions in meeting the objectives
- **Image** - How we look to others not only in appearance but in what we are.
- **Passion** - Is what we feel and how we bring this to others, Team members, learners, employers and that we maintain and develop this within Industry.

In meeting these values there is no place for extremist views of any kind in Reflections Training Academies, whether from internal sources -Learners or team members- or external sources - external partners, partner employers or clients.

Our learners see the academies as a safe place where they can explore controversial issues safely and where our tutors encourage and facilitate this – we have a duty to ensure this happens.

At Reflections Training we recognise that extremism and exposure to extremist materials and influences can lead to poor outcomes for learners and so should be addressed as a safeguarding concern as set out in the **Policy for Safeguarding Children, Young Persons and Vulnerable Adults**.

We also recognise that if we fail to challenge extremist views we are failing to protect our learners.

Extremists of all persuasions aim to develop destructive relationships between different communities by promoting division, fear and mistrust of others based on ignorance or prejudice and thereby limiting the life chances of young people. Furthermore, we are aware that Learners can be exposed to extremist influences or prejudiced views from an early age which emanate from a variety of sources and media, including via the internet, and at times learners may themselves reflect or display views that may be discriminatory, prejudiced or extremist, including using derogatory language. Any prejudice, discrimination or extremist views, including derogatory language, displayed by learners or team members will always be challenged and where appropriate dealt with in line with our Learner concern process and **Learner Disciplinary Procedure and Code of Conduct** and the **Company Handbook Disciplinary Procedure and Safeguarding Learners Code of Conduct** for staff.

As part of wider safeguarding responsibilities Academy team will be alert to:

- Local Extremism Threats
- Disclosures by learners of their exposure to the extremist actions, views or materials of others outside of the Academy, such as in their homes or community groups, especially where learners have not actively sought these out.
- Materials, writing or art work promoting extremist messages or images
- Learners accessing extremist material online, including through social networking sites
- Partner Employer reports of changes in behaviour, friendship or actions and requests for assistance
- External Partners, local authority services, and police reports of issues affecting learners
- Learners voicing opinions drawn from extremist ideologies and narratives
- Use of extremist or 'hate' terms to exclude others or incite violence

- Intolerance of difference, whether secular or religious or, in line with our equalities policy, views based on, but not exclusive to, gender, disability, homophobia, Ethnicity, colour or culture
- Attempts to impose extremist views or practices on others
- Anti-Western or Anti-British views

Reflections Training Academy will closely follow the Counter Terrorism Local Profiles communicated and any locally agreed procedures as set out by the Birmingham and Bristol Local Authority Safeguarding Children's Boards processes and criteria for safeguarding individuals vulnerable to extremism and radicalisation.

## 2. Use of External Speakers / Agencies and individuals Policy

When using external agencies or individuals to enrich the experiences of our learners, we will as far as reasonably practical ensure those external agencies or individuals who we engage with to provide such learning opportunities or experiences for our learners follow Reflections Training Academy's Equality & Diversity Policy and ensure that:

- Any messages communicated to learners are consistent with the values and ethos of the organisation and do not marginalise any communities, groups or individuals
- Any messages do not seek to glorify criminal activity or violent extremism or seek to radicalise learners through extreme or narrow views of faith, religion or culture or other ideologies
- Activities are matched to the needs of learners
- Activities are carefully evaluated by the Training Academy to ensure that they are effective

To meet these aims any team member will complete a **Visiting Tutor / Guest Speaker checklist form (Appendix 1)** and get authorisation from their Direct Line manager.

Any Visiting Tutor / Guest Speaker will need to complete and commit to a **Visiting Tutor / Guest Speaker Agreement form (Appendix 2)** before carrying out any sessions with Learners and if a regular Visiting Tutor / Guest Speaker to be refreshed annually.

Effectiveness of sessions will be evaluated via established and robust QA processes.

## 3. Prevent Internet Safety / Social Media Policy

We recognize the risk posed to our Learners of on-line radicalization, as well as online extremist propaganda including but not limited to images and videos that present extremism and radical behaviours and views as an exciting alternative to

Fundamental British Values and that social media encourages supporters to share the material with a wider online audience.

To combat this online threat our IT systems, have appropriate firewalls and site blocking software in place on all Academy IT Servers. A database of key words is within these firewalls with all known extremist keys word part of this database. Access too all social media sites are blocked form Reflections Servers.

Each learner at the training academies has individual logins and any inappropriate internet access is immediately flagged to IT Team who will escalate to the safeguarding team.

Reflections cannot control what learners, team members and clients access on own personal devises however through education, vigilance and a safe and secure system for learners to disclose concerns this is considered a low risk.

All learners attending Reflections agree to an Acceptable Use of Technology Agreement that details behaviours and expectations when using IT, including clear reference to the Prevent Duty. This applies to all Learners who have access to and are users of Academy ICT systems, both in and out of the Academy.

The Academy will deal with such incidents within this policy and associated Acceptable use of Technology Agreement within its learner behaviour and conduct policies.

Any suspicious websites can be reported via <https://www.gov.uk/report-terrorism>

Staff will be updated in line with CTLP's of any emerging online threats / platforms of concern via CPD events

#### **4.Prevent Whistle Blowing / Raising a concern**

Where there are concerns of extremism or radicalisation Learners and team members will be encouraged to make use of our internal safeguarding / learner concern systems to raise any issue in confidence.

Team members can raise issues with the safeguarding team via MyConcern

Learners can raise issues in confidence with their tutor assessor or to a member of the Safeguarding Team.

Any concerns raised with the Safeguarding Team will be investigated inline with the Safeguarding process and if necessary reported via the channel process or directly to the Regional Counter Terrorism Unit (CTU)

#### **5.Channel Referral**

Channel provides support to those who may be vulnerable to being drawn into terrorism. The overall aim of the programme is early intervention and diverting people away from the risk they may face. Chanel referrals are voluntary and the individual can choose not to engage.

Channel referrals if required can be referred to the relevant police force

Birmingham - [Prevent@west-midlands.pnn.police.uk](mailto:Prevent@west-midlands.pnn.police.uk) or call: 0121 251 0239

Bristol – [salam.katbi@avonandsomerset.pnn.police.uk](mailto:salam.katbi@avonandsomerset.pnn.police.uk) or call 01179455533

Guidance on whether the need to submit a Channel referral can be sought from the relevant Regional Prevent coordinator.

Reflections policy that referrals will be made by the relevant training academy safeguarding officer in line with the safeguarding policy.

## 6.Safeguarding

Please refer to our Safeguarding Policy for the full procedural framework on our Safeguarding duties.

The team at Reflections Training Academy will be alert to the fact that whilst Extremism and Radicalisation is broadly a safeguarding issue there may be some instances where learners may be at direct risk of harm or neglect. For example; this could be due to a learner displaying risky behaviours in terms of the activities they are involved in or the groups they are associated with or team members may be aware of information about a learner's family that may equally place a learner at risk of harm. (These examples are for illustration and are not definitive or exhaustive).

Therefore all team members are required to report instances where they believe a learner may be at risk of harm or neglect to the Designated Safeguarding Lead via the learner concerns process.

The Safeguarding reporting arrangements are set out fully in our Safeguarding Policy and its appendices and are summarised here, as follows:

- Team member complete the Safeguarding Concern Report Form and email to [safeguarding@reflectionstraining.co.uk](mailto:safeguarding@reflectionstraining.co.uk)

Learners can report worries or concerns via the 'If in Doubt, Shout' process to their relevant academy safeguarding lead, alternatively any concerns can be emailed to [safeguarding@reflectionstraining.co.uk](mailto:safeguarding@reflectionstraining.co.uk)

## 7.Information Sharing Protocols

Effective information sharing is key to the delivery of the Governments Prevent Agenda, so that appropriate action can be taken e.g. referrals to Chanel or Counter Terrorism Units.

Any sharing of personal or sensitive personal data will be considered carefully, particularly where the consent of the individual is not gained and will be fully in line with the requirements of the Data Protection Act.

## **8. Freedom of Speech Policy**

Reflections Training Academy openly acknowledges and encourages Freedom of speech for its Learners. These freedoms of speech protected by this policy is confined to freedom of speech within the law. Reflections believes that a culture of free, open and robust discussion can be achieved only if all concerned avoid offensive or provocative action and language. Whilst there is no legal prohibition on offending others, Reflections Training expects speakers and those taking part in meetings or activities to respect its values, to be sensitive to the diversity of its community and to show respect to all sections of that community in line with its core values. Anything which is likely to give rise to an environment where harassment, intimidation, verbal abuse or violence is felt, particularly because of their ethnicity, race, nationality, religion or belief, sexual orientation, gender, disability or age, is also likely to be unlawful and against Reflections core values and is not allowed. These areas and subsequent outcomes if not met are covered with the Company handbook (for team members), learner conduct policy (for learners) and Visiting Speaker agreement (for visiting speakers).

## **9. Letting of Premises**

Letting of Premises or Facilities is a very rare occurrence. On the rare occasions that this happens, suitable safeguards and checks will be put in place to ensure that usage is inline with Academy Values and ethos. Reflections is entitled to refuse a request to lease its premises (or part off) for any use which does not match our core values and behaviours.

## **10. Distribution of Leaflets or other Publicising Material Policy**

The sale, distribution or display of posters, publications or leaflets within Reflections Training Academy Buildings by learners, team members or others is prohibited unless prior authority has been obtained from designated members of the Senior Management Team.

Any request to distribute or display posters, publications or leaflets will be reviewed in line with Academy values and marketing strategies.

Any sale, distribution or display of posters, publications or leaflets that is outside this policy and Reflections values will be removed and dealt with through the relevant procedure: Company handbook (for team members), learner conduct policy (for learners) and Visiting Speaker agreement (for visiting speakers)

## **11. Team Training**

All Team Members (excluding auxiliary support) are required to complete the Education Training Foundation (ETF) Prevent e-learning modules and assessment and this is embedded in the induction process.

ETF in-house training has been carried out in both centres February 2017

Education is a powerful weapon; equipping young people with the knowledge, skills and critical thinking, to challenge and debate in an informed way.

Safeguarding and the Prevent duty will be delivered to all learners during their induction period.

All learners will partake in a Prevent session and declaration of understanding will be gained.

Learners will then complete the 4 online modules of the EFT side by side programme embedded within the additional workshop schedule of the scheme of work.

Within the training programme Reflections Training Academy will provide a broad and balanced safeguarding and Equality & Diversity programme with embedded Fundamental British Values, delivered via sessions, 'Topic Of the Month' sessions and additional workshops, so that our learners are enriched, understand and become tolerant of difference and diversity and also to ensure that they thrive, feel valued and not marginalized. British Values will be embedded within other areas of the curriculum as relevant.

Any fund raising activities carried out can only be authorised by senior management and only Charity Commission Registered Charities are to be recipients of any funds raised. No fund raising outside of this will be considered. Promotion of fund raising is to be in line with the distribution of leaflets / poster section of this policy manual.

## **14.Recruitment**

The arrangements for recruiting all Team members to Reflections will follow the Safe Recruitment Policy, including, but not limited to, ensuring that DBS checks are always made at the appropriate level, that references are always received and checked and that we complete and maintain a single central record of such vetting checks.

We will apply safer recruitment best practice principles and sound employment practice in general and in doing so will deny opportunities for inappropriate recruitment or advancement.

We will be alert to the possibility that persons may seek to gain positions within Reflections so as to unduly influence our character and values. We are aware that

such persons seek to limit the opportunities for our learners thereby rendering them vulnerable to extremist views and radicalisation as a consequence.

Therefore, by adhering to safer recruitment policy and by ensuring that there is an ongoing culture of vigilance within the Academy and team we will minimise the opportunities for extremist views to prevail.

## **15. Role of the Designated Safeguarding Lead**

The Designated Safeguarding Lead is: Jason Timms
